Bruce,
Charlotte was fortunate in having
such a talented family as yours. Be
with us. We will certainly miss you.
I wish you every success in your
years with the Met. Don't lose faith
or courage in your work. Keep
hitting those B♭'s. The most enjoyable
moments I've had in music have been
when I was accompanying you or listening
to Aida, Il Trovatore, and the Flying
Dutchman not to mention countless
other Arias. Thanks for taking me to
my very first opera! It was
quite an experience. May you
always be happy & establish
many lasting friendships.
Love,
Kathleen

Bruce,
Do you remember the
Opera Workshop
production of
Pagliacci. You
had a small
part as a
villager.
Good luck
in the future
Love

Mrs. Iauch works day by day to build a library more suited for our needs.

Mrs. Iauch, through her many hours and years of toil, has added something besides just books to our library. She has added life.

We Dedicate Our Yearbook to a Woman Who Is Herself Dedicated . . . In dedicating this year's CHARHIAN to Mrs. Mildred Iauch, we are in a small way trying to express our gratitude to a person that has added much to the life of C.H.S. We all owe Mrs. Iauch a degree of thanks and appreciation for her many days, months, and years of hard work.

INDEX 200

This year, 1966, started like any other year; the teachers, the classes, the games and the activities—they were all a part of "our year." Perhaps the one word that best catches the mood of this year is anticipation. We anticipated the victories, the assignments, the new students and the old; we gazed into new spheres and tried conquering new plateaus. C.H.S. was the proving ground for many theorems, adverb clauses, off-tackle plays, experiments, initiations and set shots. Yes, we practiced, renewed, learned and anticipated; but perhaps most important of all, we gave and we received. The 1966 CHARHIAN has tried to capture all these events in a single volume. An impossible feat! However, here is the result of our toil, tension and work. We realize that is only a small record of your efforts for this year, but we most sincerely hope that it will be a record of treasured thoughts and golden memories. Such is the 1966 CHARHIAN.

SUPERINTENDENT'S MESSAGE

To the Graduates of 1966:

Commencement, June 8, 1966, marks another milestone in your life development. It is called Commencement because you are about to enter into the new experience of adulthood.

Before you accept the challenge of adulthood, it might be well to take an inventory of yourself. What preparation do you have which will help you in meeting the problems of everyday living?

Probably the most important aspect of your personal inventory will deal with self-esteem. Self-esteem is here defined as a feeling of personal worth or self-respect.

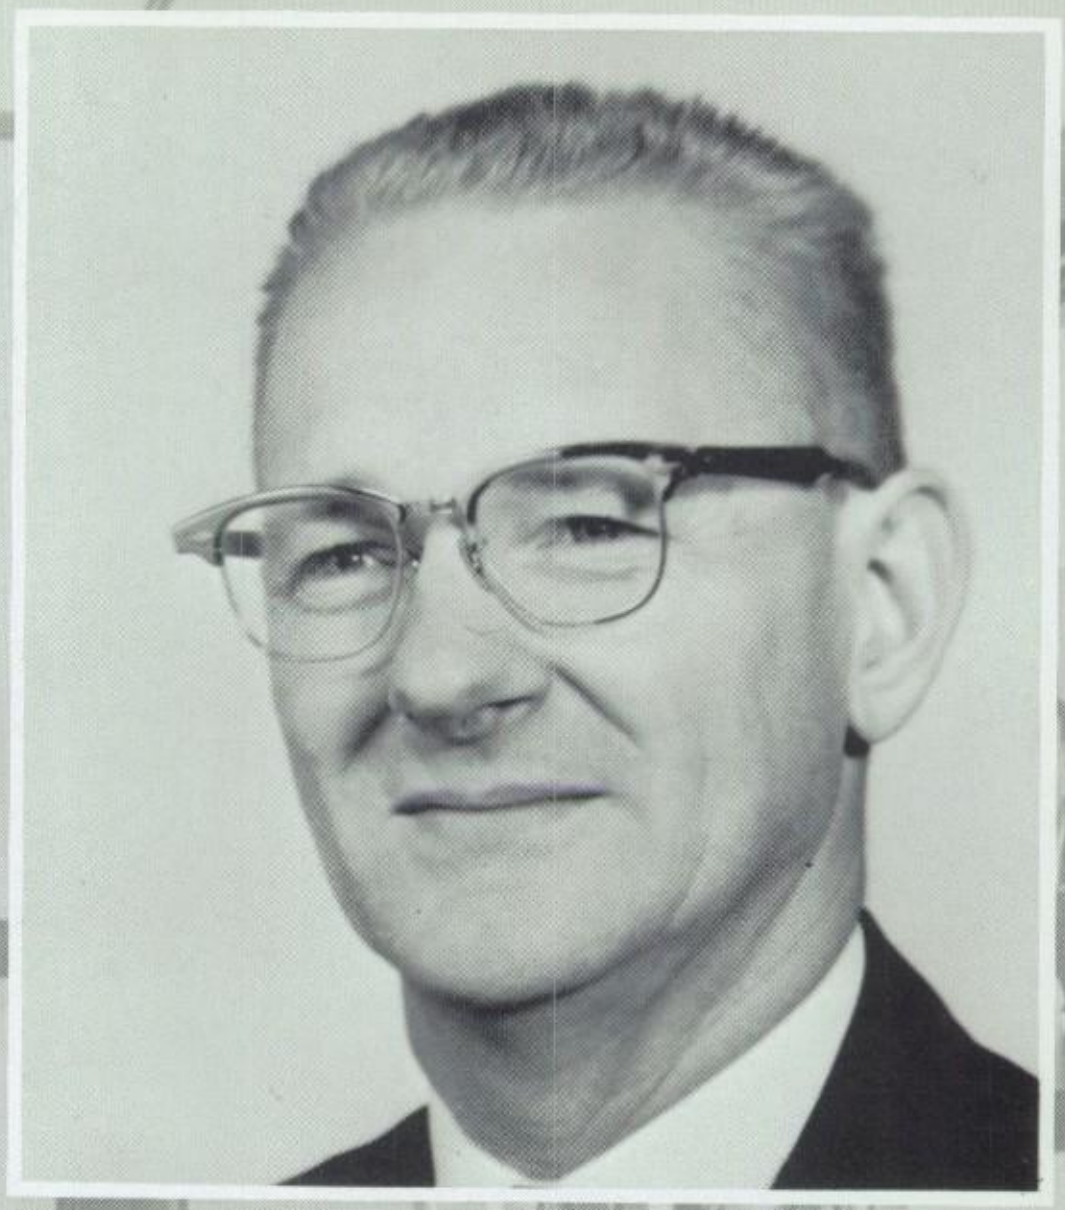
Any worthwhile achievement raises one's self-esteem. Graduation should make you feel that you have taken a step in the right direction. Opportunities for many great achievements are before you.

Are you ready to accept the challenge?

Sincerely,

Clark Muma

Clark Muma,
Superintendent of Schools



PRINCIPAL'S MESSAGE

Members of the Class of '66

Congratulations Seniors! You are graduating from high school at one of the most challenging periods in the history of mankind. The explosion of knowledge in the past few years has surpassed even our wildest imagination. Probably the next decade will bring about even a greater acceleration in the expansion of knowledge.

As graduates, you need to realize that your education has only started. You will need to continue to learn all your life. Knowing how to find information an draw logical conclusions are more important than the accumulation of facts.

My advice for you: be proud of your country, be an informed citizen, be willing to defend our way of life, sit high moral standards for yourself. If you carry through as a functioning citizen of our democracy we will all be proud to say we had a part in your education.

Sincerely,

John Brandt Smith

Julie is an active member of National Honor Society and French Club. Before moving to C.H.S. last year, she attended Angola High School, where she participated in many extra-curricular activities. After school Julie works at Hayes-Green-Beach Hospital as a nurse's aide. She plans to enter the field of nursing at the University of Michigan after graduation. She has been given the Science Award this year. An excellent organizer and leader are minimum adjectives to describe Julie. The valedictorian's parents are Mr. and Mrs. George Chenoweth.

STEVE TAYLOR

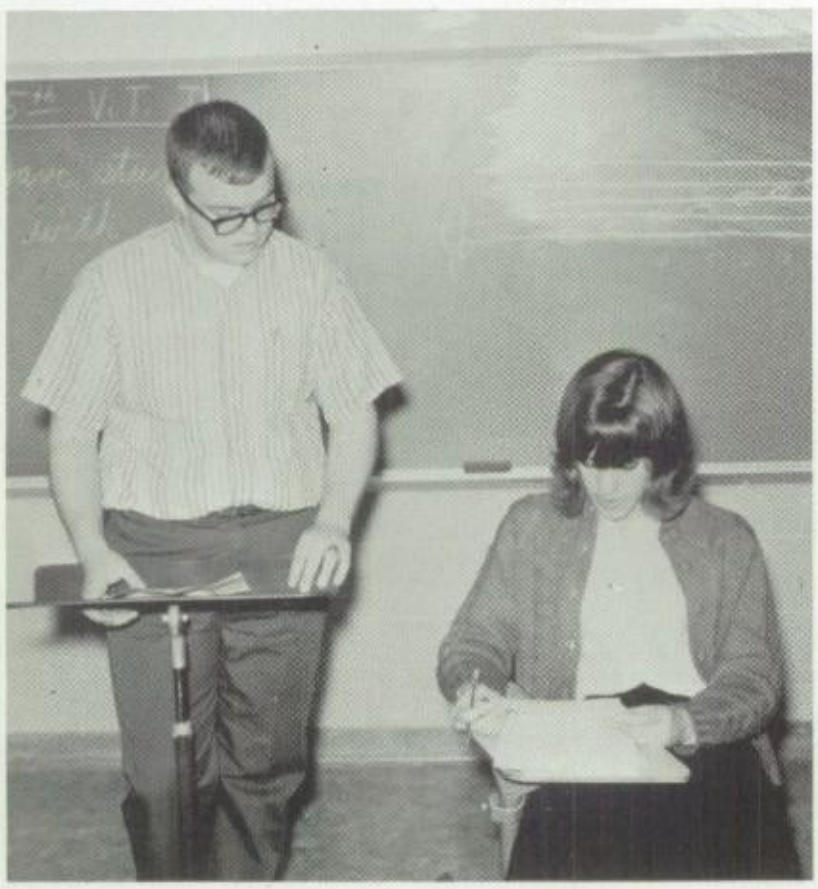
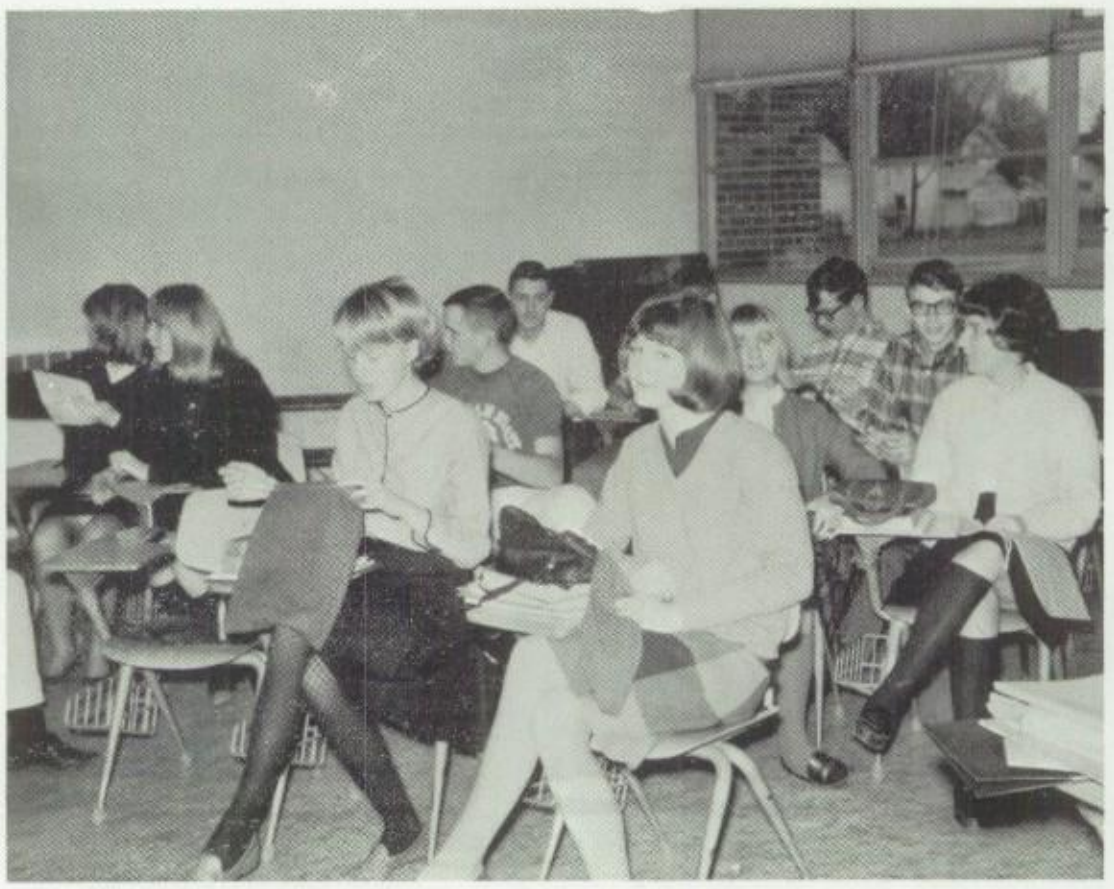
SECRETARY

ANN BARTOLACCI

As Mayor and Secretary of Charlotte High School, Steve and Ann have maintained the high standards required of them in their positions. They are highly respected throughout the school and community. Each possesses a quality of strong leadership and capability which aids them in controlling the government of the student body. They have attained a high scholastic rating throughout their school years, and we are proud to say that they represent our school.





COUNCIL CONTROLS STUDENT GOVERNMENT

The Student Council is the voice of the student body in high school government. Its representatives were selected to make decisions on school affairs and to present new projects to the student body. The success of this organization depends on the administration and student body working together in harmony. This year has been most rewarding. Much has been accomplished in promoting a better student and faculty relationship; also many new and different projects were undertaken. Ann Bartolacci and Steve Taylor preside over a meeting.

COMMITTEES PROMOTE INTEREST

This committee has the responsibility of promoting interest in school life and activity among its students. Members of the Citizenship Committee are Sandy Backus, Chris Nelson, Alice Christensen, Russ Stooks, and Judy Wehr.

The debate team this year discussed the topic "Resolved: That the Federal Government should adopt a program of compulsory arbitration."

The Debate-Forensics homeroom this year, in order to acquaint the city better with the club, presented debates and pieces of forensics to the service clubs of Charlotte.

by the juniors themselves, they were more enthusiastic and anxious about it.

It was a success. The students who worked on it were proud of their fine effort. The parents and friends who bought magazines from the juniors were glad to see their money used in such a useful, constructive way. They were glad, especially the Charlotte merchants, to see the money put into this town. Besides that, it cost the Junior Class less to do it themselves than to hire it done. The parents were more willing to help out and offer their services which added to the general feeling of good will.

Victory Blocks Exchanged

On Fri., Oct. 15, which was the day of the Charlotte-Greenville football clash, six small, orange and black blocks of wood with a "V" printed on them were seen being exchanged between students of CHS. Exchanged, that is, in a rather unusual manner, for when the presenters of the block passed it to an unaware classmate, the receiver's reaction was as if the mere block were a six weeks flunking slip. Open House Attended By Nearly 600 Parents

Approximately 600 parents attended the 1965 Open House, according to Principal John B. Smith.

The parents met at 7:30 in the main auditorium, where they were greeted by Mr. John B. Smith and Mr. Clark Muma. Then they met with the various teachers of their children.

At 9:30 refreshments were served in the cafeteria.

Mr. Smith and the teachers felt this year's Open House was truly a success for everyone involved.

Bruce,
To a real sweet guy. I'll always remember the loud tenor from C/S. I wish you all the luck your heart desires with your future career in singing. I hope you reach your goal in life.
From a rotten alto,

As we come to the close of the 1966 CHARHIAN, it only fitting that I take a few words of appreciation from y soul and give them to the people that made this book ssible. If I were to name all the people that made a ntribution to the 1966 CHARHIAN, the list would be dless and their names forgotten by you the reader. How-er, each one of these people will hold a special place my heart as Editor of the 1966 CHARHIAN. My ap-eciation of Mr. Lowell Reed for his excellent photography, the advertisers for their sponsorship, of the entire CHAR-IAN staff for their sacrifice and toil, and of Miss Latham r her many hours of work and guidance is not really pressible through words.

In closing, the 1966 CHARHIAN staff hopes that this HARHIAN properly captured the mood and feeling of s school year. We also hope that 10 or 15 years from w, we can say hello and not good-bye.
